Respected Sir/Madam,

I am here by writing to kindly grant permission to the following students to conduct a research study at your prestigious school. The survey being conducted has a major focus on child learning abilities. The survey would last for around 5-10 minutes for each student. Participation in the survey is entirely voluntary and there is no risk in participating in the given study. All the information provided by the students will be kept in uttermost congeniality and would be used purely for academic research purposes only.

Your approval to conduct this study will be greatly appreciated. Thanking you in advance for your interests and assistance with the research.
